ADVANTAGES OF MEMBERSHIP:

1. The opportunity to be a participant of a well-established premium Blackheath tourist. Attraction—the beautiful Campbell Rhododendron Gardens.
2. Be part of an active long-established community group.
3. Attend the General Meetings, held every two months, where well-known Guest Speakers are appointed to tell of their fascinating experiences.
4. Option to assist with the Gardens' upkeep through joining the MonVols (volunteers).
5. Meet interesting like-minded Rhododendron-loving locals.
6. Learn more about the Genus Rhododendron through discussions and our Rhododendron study group (still to be formed).
7. Borrow from our extensive library which covers topics from the history of the discovery of Rhododendrons, to an exploration of other woodland gardens which nurture these plants.
8. Ability to contribute your many life-skills and world-experiences to help manage the Gardens by joining the Management Committee.
9. Be an ambassador for and help promote the Gardens during the Open Weeks.
10. And last but not least, make great life-long friendships!
